**Keywords:** Prosecutor's office, individuals, law, equipment, protection.

The Prosecutor's Office of the Kashkadarya region of the Republic of Uzbekistan is one of the important organizations that fulfills the task of protecting law and justice. This prosecutor's office operates in the entire territory of Kashkadarya region and works in all its forms to meet the needs of our nation's law and unity. The organization of the prosecutor's office is based on the practical application of the Code of Justice of Uzbekistan and establishes relations with therapeutic dialogues, ideas and equipment. The Prosecutor's Office calls on all parties, including public authorities, community and service providers, individuals and individuals, to uphold the law, to provide information about the law, and to understand it.

The activities of the prosecutor's office are aimed at comprehensively determining the supremacy of the law, strengthening law and order, protecting the social, economic, political, personal rights and freedoms of the person and citizen, as well as the independence of the state, the system of the welfare state, political and economic systems, which are strengthened by the Constitution of the Republic of Uzbekistan. serves to ensure the protection of the rights of national groups and territorial entities from illegal encroachments.

The General Prosecutor of the Republic of Uzbekistan and subordinate prosecutors carry out their activities in the following directions:

- control over the clear and uniform execution of laws aimed at ensuring the protection of social, economic, political, personal rights and freedoms of people and citizens;
- control of the implementation of laws by all agencies, enterprises, institutions, organizations, officials and citizens;
- control of law enforcement agencies and coordination of their law enforcement activities;

- to support the state prosecution in the consideration of criminal cases in courts, to participate in the consideration of civil cases, cases of administrative offenses and economic disputes in courts, to protest against legal documents;
- to strengthen tax discipline, crimes in the field of tax currency and the fight against offenders, as well as delivered to the state on the enforcement of laws aimed at compensating economic damages control;
- control over the implementation of laws in the places of detention of detainees, pre-trial detention, court-ordered punishment and other compulsory measures;
- Control of compliance with laws in the Armed Forces;
- conducting a preliminary investigation of crimes;
- participation in improvement of legislation and promotion of laws and improvement of legal culture in society.

The prosecutor's office of the Republic of Uzbekistan shall be within the framework of a single centralized system headed by the Prosecutor General of the Republic of Uzbekistan in the order of subordinate prosecutors to higher prosecutors. They exercise control and their powers independently of state power and local authorities, officials, and public associations, strictly following the laws, international and interstate agreements (agreements) in force in the Republic of Uzbekistan, and the Prosecutor General of the Republic of Uzbekistan. works submissively. The Prosecutor General and his deputies are appointed and released from their positions in accordance with the decree of the President of the Republic of Uzbekistan, after passing the approval of the Senate of the Oliy Majlis. The Prosecutor of the Republic of Karakalpakstan, in agreement with the Prosecutor General of the Republic of Uzbekistan, is appointed by the supreme representative body of the Republic of Karakalpakstan. Prosecutors of regions, district and city prosecutors are appointed with the permission of the Prosecutor General of the Republic of Uzbekistan. The term of office of the Prosecutor General of the Republic of Uzbekistan, the Prosecutor of the Republic of Karakalpakstan, regional, district and city prosecutors is five years. The prosecutor's office has done a lot of work this year, and several important works have been completed that were satisfied by our society. Including the idea of the President of the Republic of Uzbekistan on July 12, 2018 "To obtain a high level of intellectual and social development of ancient cities, to develop their lifestyle and tourism network" and on July 5, 2019 A number of successful works, such as the ideas of clothing "social and financial development of p-level shahristan". Also, the prosecutor's office strives to further develop and strengthen the competition system. They are highly certified and qualified in law and are experts in law enforcement.

Thus, with the changed system and discipline of the prosecutor's office of Kashkadarya region, it will always go ahead in the protection of justice and law and will continue to help in doing several important things in our society.
